## EVENT INFORMATION

Outdoor single booth spaces are 10'x10'. Artists are **required** to furnish a tent with canopy. Tents must be free-standing with pole weights; staking tents into the ground is not allowed. The tent and all artwork must be exhibited within the booth area. Special accommodations may be made for selected "first year" artists on a case-by-case basis.

Purgatory Creek Park is located at the highly visible intersection of Technology Drive and Prairie Center Drive, across the street from the SouthWest Station transit hub and restaurants. The park features gardens, a beautiful pavilion, fountain, public art and walking trails.

Artists and their representatives must remain at their exhibit areas during event hours. When available, volunteers may be used for short relief periods. Smoking is prohibited in Eden Prairie parks.

Artists retain all proceeds from the sale of their art, and are responsible for collecting and reporting appropriate taxes. Valid Minnesota Sales Tax ID certificate must be displayed clearly in the artist's tent.
